

Site Manager

At Team Build Construction our key focus is on exceeding expectations, with us you get dedication, innovation, quality. We are looking for an experienced Site Manager to join our team in Cramlington. The ideal candidate should have a proven track record in new build housing, refurbishment and the domestic / commercial sector.

The successful candidate will take a proactive approach to their role whilst promoting and implementing all aspects of safety management on their sites. They will manage and oversee day to day site activities ensuring adherence to legislation, policy and best practice to ensure projects are completed on time and within budget.

Formal, relevant qualifications are preferable, a full clean driving licence is essential and salary is negotiable dependent upon experience.

You may be required to work outside of the North East depending upon business needs.

How to apply:

Please apply with a covering letter and your current CV
