

Seaton Delaval School

Client

Northumberland County Council

Project Management

Faithful & Gould

A new nursery 'infill' building seamlessly joined to the existing school with an open learning area, associated offices, toilets, changing area, kitchen and a covered outdoor play area to the rear of the building.

Construction: steel frame building on pad foundations with exposed brick and rendered block walls. Standing seam roof and powder coated aluminium windows. With additional car parking spaces created to cater for the client's requirements.
